Introducing Surface Book 2 and Surface Laptop.

Say hello to the Surface family,

a range of powerful Microsoft devices designed to help you achieve more. Customised according to the way you work, these machines can fit right into your workspace and transform it.

Introducing

Surface Book 2.

**Powerhouse Performance.
Built for the unstoppable enterprise.**

Pitch presentations or app tests, do everything at great speed with Surface Book 2. With up to 4 times more capacity than before, a longer battery life and blazing graphics, it will make you demand more from your machine.

Up to **i7**
Intel Core processor
with quad core power

Up to **1060**
NVIDIA GeForce GTX
graphics

Up to **267 PPI**
PixelSense Display

Up to **17 hours**
battery life*

* Surface Book 2 13.5 & 15"™. Up to 17 hours of video playback. Testing conducted by Microsoft in October 2017 using preproduction Intel® Core™ i5, 256GB, 8 GB RAM device and Intel® Core™ i7, 512GB, 16 GB RAM GPU device respectively. Testing consisted of full battery discharge during video playback. All settings were default except: Wi-Fi was associated with a network and Auto-Brightness disabled. Battery life varies significantly with settings, usage and other factors.

Molded to your style of working.

View Mode

Detach the screen with the push of a button, turn it around, and re-attach to share presentations and watch your favourite shows.

Laptop Mode

Work with professional-grade software on the full keyboard, trackpad and touchscreen.

Studio Mode

Fold Surface Book 2 into Studio Mode to draw and sketch comfortably and naturally.

Tablet Mode

Detach the stunning PixelSense Display to transform Surface Book 2 into a thin, powerful, and lightweight Intel Core i5/i7 tablet.

Introducing

Surface Laptop.

Style and speed.
Built for the connected enterprise.

Work fast and look good while doing it. Surface Laptop is a perfect balance of portability, performance and a battery life that will see you through long days at work.

7th Generation
Intel Core i5 or
i7 processor

Weights up to
1252 grams

Vibrant 13.5"
PixelSense Display

Work and play your way.

Luxuriously durable

Wonderfully soft and incredibly durable, the Alcantara® covered keyboard is treated with a high-performance polyurethane coating to resist spills.

Beautifully designed and crafted

Perfect blend of texture, subtle details, and elegant lines—plus the luxurious touch of our Signature Alcantara® material-covered keyboard.

Introducing

Surface Pro.

**Ultra-light and versatile.
Built for the agile enterprise.**

Your best creative companion that lets you create, work and play from virtually anywhere, without compromising on the performance you need. So, go ahead, turn your scribbles into big ideas.

Choose the mode that suits you.

Laptop Mode

Transform Surface Pro into Laptop Mode by opening the built-in kickstand and adding our new Surface Pro Signature Type Cover.

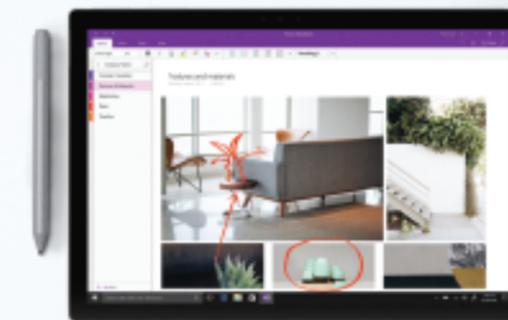

Tablet Mode

Close the Kickstand, and remove or fold back the Surface Pro Signature Type Cover for a powerful and stand-alone tablet.

Studio Mode

Lower the kickstand to place Surface Pro in Studio Mode for perfect writing and drawing, using the new Surface Pen.

Enables digital inking with the Surface Pen

Ultra-light weight of up to 768 grams

Signature Type Cover*, featuring Alcantara material
