**The new Surface Pro.
Takes you places.**

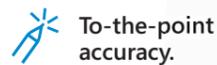

What's new?

A lot, to say the least.

Virtual ink. Real masterpiece.

Bring out your hidden talents with the new Surface Pen. Sketch, shade, take notes, write on the web, and do so much more.

To-the-point accuracy.

It's 2x more accurate than the previous Surface Pen. Now write and draw more precisely at the angle most natural to you.

Easier battery replacement.

New mechanism for battery removal uses pull motion instead of twist.

Tilt one pen. Get countless shades.

Use the new Surface Pen for shading, just like your favorite graphite pencil.

No lag in inking.

Instant and natural, this is the fastest Surface Pen ever with ink that flows more quickly into your creation.

Less pressure. More pressure points.

Pick up the subtle nuances and strokes of an artist's touch with 4096 pressure points.

Make a statement with every word you type.

Surface Pro Signature Type Cover is not just another keyboard for everyday tasks. It's crafted with Alcantara®, a luxury material sourced from Italy, which has a velvety finish and is built to last.

Experience shades of you.

It's a reflection of your persona. Choose from 2 classy colours – Platinum and Black to complement you.

Play all angles.

Adjust to virtually any angle. Use in combination with the Surface Pro Kickstand as a laptop or fold it for a take-anywhere tablet.

Typing gets light. Quite literally.

With an LED backlit keyboard, optimum key spacing, and a large glass trackpad, get a slick typing, clicking, browsing and scrolling experience.

Big performance comes in a small package.

768 grams to be precise.

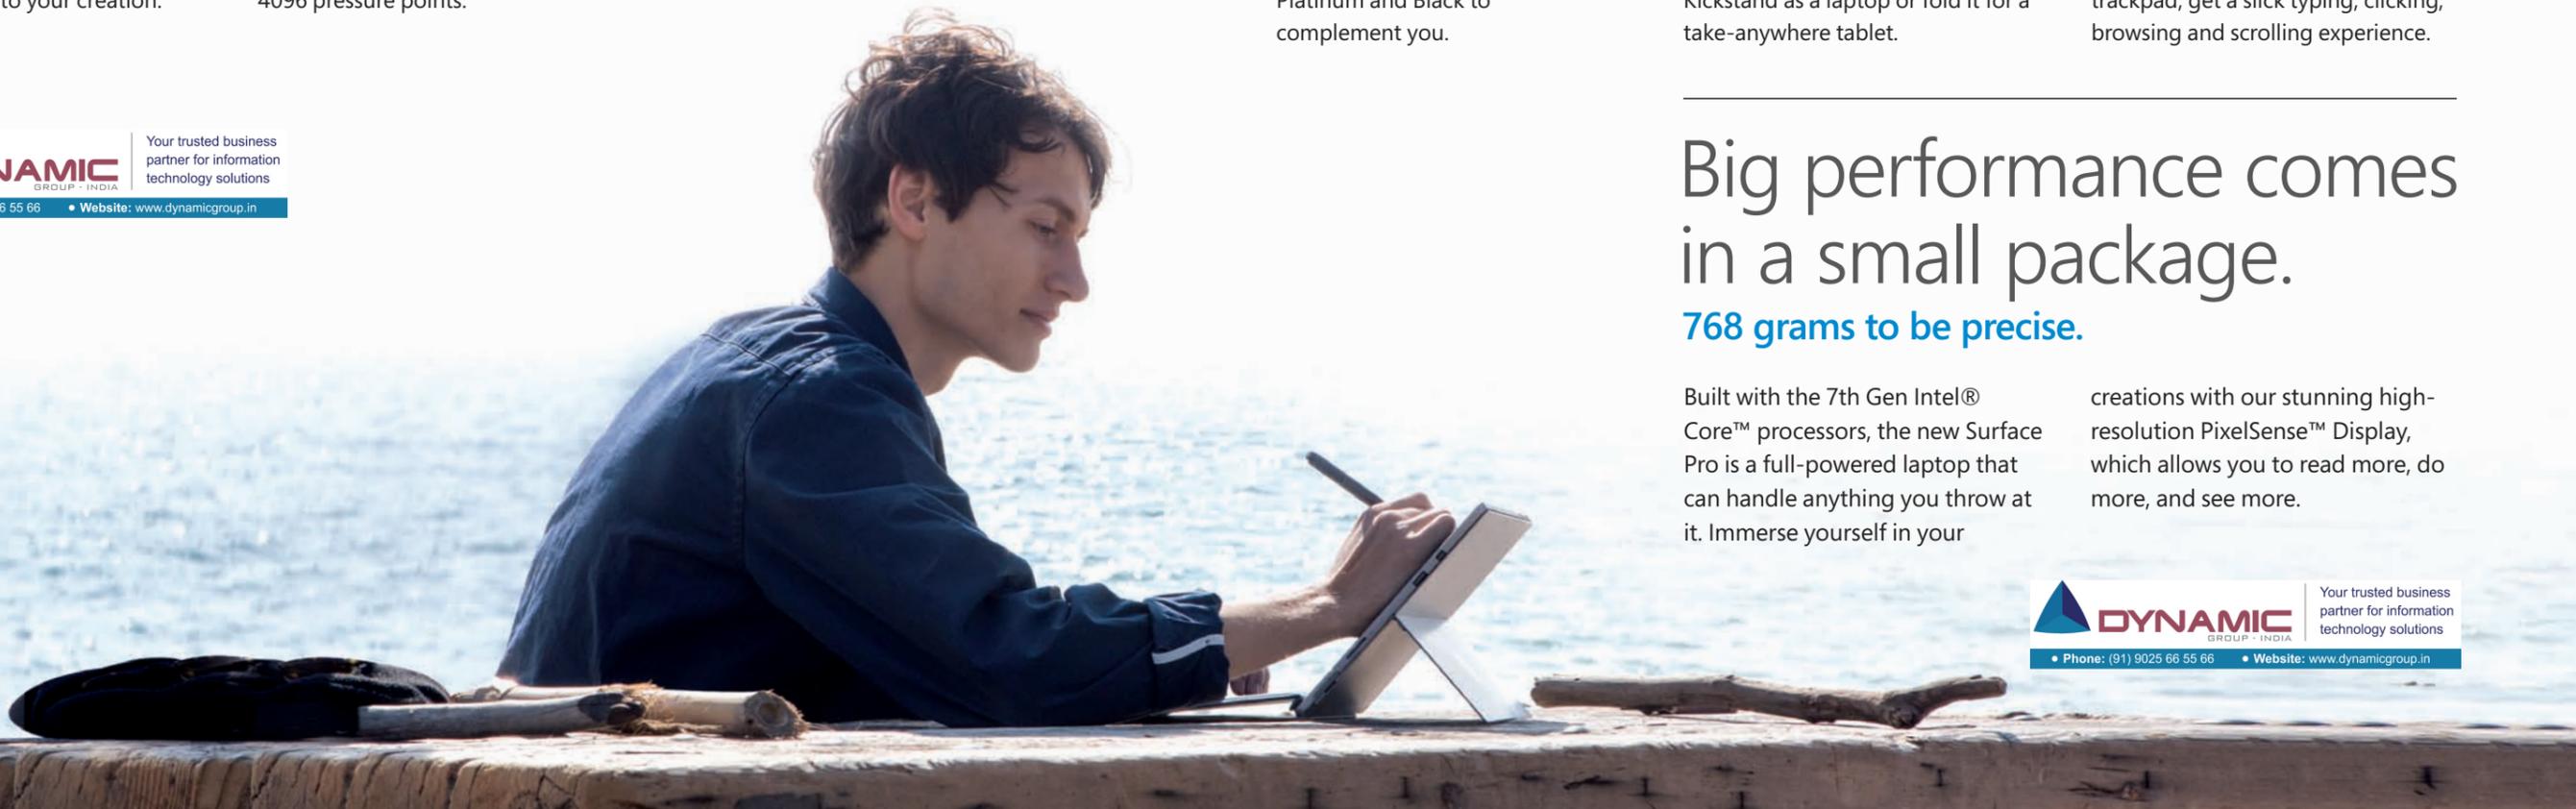

Built with the 7th Gen Intel® Core™ processors, the new Surface Pro is a full-powered laptop that can handle anything you throw at it. Immerse yourself in your

creations with our stunning high-resolution PixelSense™ Display, which allows you to read more, do more, and see more.

Wait we're not done yet.

There's more:

 **Softer and improved design.**

Rounded edges, hidden cameras, more subtle vents, and lighter weight. Plus get deeper, next-generation hinge that delivers a better writing experience at 15 degrees.

 **Even quieter, and louder.**

Fanless Core M and i5 models, plus improved hybrid cooling on i7 model. Newly re-designed front-facing speakers with Dolby Audio Premium for a louder and improved listening experience.

 **Longer battery life.**

No power supply needed, with up to 13.5 hours of local video playback. That's over 68% more than Surface Pro 3.
